4.   Enter New Email Address

5.   An OTP will be sent to your New EMail id

6.   Check and Enter OTP in the AMAT Website

7.   Your email id will be changed to your New Email id

- **I have given a few tests from one account and a few from another. Can you merge both and keep only one account active?**

To maintain test integrity, we do not merge accounts, so please ensure that you use only one account to give all the Tests.

Although, for an exceptional case, if you have two accounts due to a change in the website, then you can fill the Missing Marks Form from your currently active account wherein you can submit marks of AMATs that are in your old account and write in Remarks box that you have given these AMATs from the old account and now after all AMAT mark's updation in new account we can deactivate the old account.

Our team will check and verify if the request is genuine. But there is no guarantee that accounts will be merged. Also, merging of accounts is only applicable for tests given before AMAT 14.

Section – 4 Answers to FAQs during/post Test.

- **I am not free during the daytime, would it be ok if I give AMAT late in the evening?**
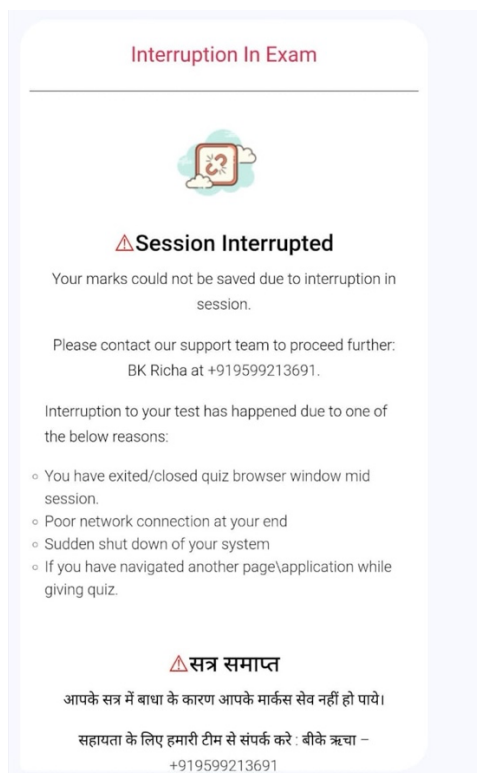

It is recommended to choose a day time for the exam and avoid taking the test between 7 PM and 11 PM IST, as a large number of candidates log in at the same time increases server load, which causes difficulties in loading the website. Also, if you face any issues during this period, we may not be able to provide assistance as neither phone calls nor messages will be responded to.

- **I started giving the test, but the questions are not shown in proper language. Why?**

Please turn off the auto-translation feature on your mobile or browser to ensure you receive the questions in the original language in which they are written.

- **I was giving Live exam but suddenly I lost network connection, is my test saved or I will have to retake the test and answer all the questions again?**

In such a case, you would have a received a session interrupted message as shown in the images below. It means that your Test result is not saved with us and you need to contact our support team immediately.

Interruption In Exam

⚠ Session Interrupted

Your marks could not be saved due to interruption in session.

Please contact our support team to proceed further: BK Richa at +919599213691.

Interruption to your test has happened due to one of the below reasons:

- You have exited/closed quiz browser window mid session.
- Poor network connection at your end
- Sudden shut down of your system
- If you have navigated another page\application while giving quiz.

⚠ सत्र समाप्त

आपके सत्र में बाधा के कारण आपके मार्क्स सेव नहीं हो पाये।

- **I couldn't submit the exam before the expiry time. Will my marks be saved?**
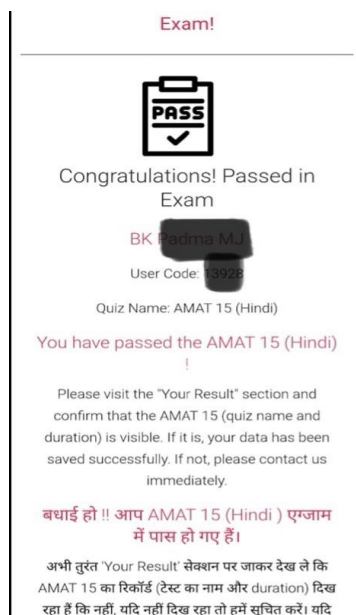

In such a case, your test will get auto submitted and your marks will get calculated for the questions you have attempted within the specified time limit. To avoid such situation in future, please ensure that you submit the test within specified time duration and press submit button before time expires.

- **I have given the AMAT, but on the result announcement day my result is not showing. Why?**

As shown in the image below, when you submit the test, it is clearly mentioned to check whether your Test Details, like current Quiz Name, Pass/Fail, Time Taken etc, are mentioned or not. If it is not showing, then you should immediately contact our support team for help as it means your result is not saved.

As once the Live Test time duration is over, we cannot help you.

Post Test Submission Screen   Your Result Section

- **I have given Live test , but my record /test entry (test name, duration…etc) is not displaying in Your Result section. What to do?**

If your Test record is not showing in Your Result Section after submission of Live Test that means that your result is not saved with us. In such a case you can go to the Contact Us page and contact our support team immediately. But this facility is only available during the Live Test and no support is provided during the last few hours of Live Test.

- **I have given the Test, but I am not sure if my Test was submitted successfully or not.**

For Daily Test - Immediately after submitting the Test, a screen will show your result Pass/Fail, Marks, Percentage and you can also View Your Answersheet. But this result will not be saved on our website and will not be visible once you log out of the website.

If it is not showing, then immediately contact our support team for help. Please note that marks, percentage, answersheet etc will be shown only after expiry of live quiz time i.e. when we announce the results.

- **When can I view the result of the live test and where can I see the answer sheet?**

Daily Tests : You can view the result of the Daily Test immediately after submission of the Test and view the Answer sheet by clicking on View Answersheet button. Please note that marks and the answer sheet for the Daily Test will not be saved for later viewing and will not be visible in the Your Result section as you can only see AMAT results there.

AMATs : You have to immediately check your Result page to ensure that your test is submitted with us not. If you see the current Quiz Name, Time Taken etc on top that means that your AMAT is successfully submitted and your Marks, Percentage etc will be visible once the result is announced. The result is mostly updated on the next day of AMAT. The time and date of the Result is also announced on the WhatsApp groups. You can view the Answer sheet for AMAT and download the certificate for the particular test.

- **I can't see my marks and percentage in Your Result Section for Tests given, Why?**

At the AMAT website (https://amataos.online), we temporarily disable the display of 'achieved marks' and 'percentage marks' under the "Your Result" page for all your attempted tests a couple of days before the main monthly AMAT test and make it available again 1–2 days after the end of the AMAT exam. Therefore, we kindly request you not to message us regarding its unavailability during this period.

- **I can just see my current Live Test details like Test Name, Time Taken in Your Result but can't see result of all other AMATs given previously. Why?**

At the time of Live Test only the details of current test is shown in Your Result Section. All other result data is not displayed as it increases load on the server, you will be able to see all other AMAT Result data after the Live Test.

- **I am not able to see the answer sheet for the test that I gave one week/month ago. Why?**

The answer sheet is visible only for next 3 days after the Live Test. So please ensure that you view your result and check answer sheet within next 3 days of Live test.

- **I have given AMAT 7 (or any other AMAT) but my marks are missing in the Your Result Section. How can I get my marks updated in the website for the missing test?**

Fill the missing marks forms available in the menu. It is available to fill for Hindi & English language only. It is available only for limited time period only.

- **I have given many test series quizzes like OK, NK, JK, DK, etc., but the result data is not visible for all these daily test series. Why?**

We do not save results for the Daily Test Series; result data is only saved for AMATs.

- **I am not available during the time period of the Test due to some emergency/ urgent work, can you please extend the time period of the test?**

Once the exam duration is over, no one will be given attempt for giving exam for any reason. Please ensure that you complete your test within the given time. Additionally, please refrain from requesting extensions for the quiz duration

- **I was sick or had emergency on the test day. Can I get another chance to give AMAT?**

No AMAT is taken only for a specific duration for all participants across time zones.

- **Can you change the test date? I'm travelling on the Live Test day?**

It is not possible to change AMAT Dates as AMAT is pre-decided and is scheduled keeping in mind convenience and suitability for thousands of participants across time zones. So please try to give AMAT on the scheduled dates.

- **When can I expect to hear back from the AMAT team once I contact them?**

You can expect a response from the AMAT Team within 1 day to a few months. Also, we reply only to selective queries due to the shortage of time.
